

Hurstmere Green Notice of Demolition

In November Auckland Council will be engaging Canam Interiors Ltd to demolish the old Takapuna Visitor Information Centre in Hurstmere Green. This work will be undertaken prior to the full Hurstmere Green Upgrade project which begins mid-2012 (See plan over).

After demolition of the Takapuna Visitor Information Centre, a temporary platform will be formed within the existing foundation walls, and test areas of paving and gravel will be laid. This paving may be used in future town centre upgrades.
